

CHAPTER 54: UNDERGROUND FACILITY DAMAGE PREVENTION REGULATIONS

Section

- 54.01 Authority
- 54.02 Adoption of regulations
- 54.03 Excavators to prevent damage to city's underground facilities
- 54.04 Protection Notification Center

§ 54.01 AUTHORITY.

This chapter is enacted under authority of KRS 82.082 and KRS 367.4901 et seq. (Ord. 10:95, passed 5-8-95)

§ 54.02 ADOPTION OF REGULATIONS.

The "Underground Facility Damage Prevention Act of 1994" found at KRS 367.4901 et seq., and any future amendments thereto, are incorporated and adopted herein by reference. A copy of KRS 367.4901 et seq. is on file in the office of City Clerk. (Ord. 10:95, passed 5-8-95)

§ 54.03 EXCAVATORS TO PREVENT DAMAGE TO CITY'S UNDERGROUND FACILITIES.

All excavators as defined by KRS 367.4903(5), operating within the city and operating near the Morehead Utility Plant Board's water, natural gas and sewage facilities located outside of the city shall avoid and prevent excavation damage to the city's underground utility facilities by complying with KRS 367.4901 et seq. and this chapter. (Ord. 10:95, passed 5-8-95)

§ 54.04 PROTECTION NOTIFICATION CENTER.

(A) The city shall operate and maintain its own protection notification center through which an excavator shall contact the city for information regarding the approximate location of the city's underground water, natural gas and sewage facilities.

(B) The location, office hours and telephone numbers of the Morehead Utility Plant Board's protection notification center are as follows:

Location	Office Hours	Telephone Number
MUPB 135 S. Wilson Morehead, KY 40351	24 hours	606/784-5538 606/784-7400

(Ord. 10:95, passed 5-8-95)
